

Coral Sunrise Subdivision

Client: Fernbrook Homes

Year: 2000 - 2007

SERVICES PROVIDED

Coral Sunrise is a development in the east end of Wasaga Beach, incorporating 267 single family residential lots with landscaped yards and tree preservation areas designed to maintain the natural setting of the surrounding area.

Our design and construction inspection services addressed approximately 3.6 km of internal roads with storm sewers, sanitary sewers and water mains, as well as 1.2 km of external roads with trunk storm sewer works.
