

## Township of Tiny Septic Inspection Program

Client: Township of Tiny

Year: 1998 - Present

### SERVICES PROVIDED

This is an ongoing project that involves the enforcement of onsite sewage system standards under the provisions of the Building Code Act in the Township of Tiny. CCTA is contracted by the Township to inspect and approve all onsite sewage system applications. CCTA reviews all applications pertaining to new and replacement systems, grey water treatment and disposal, rezoning, variances, Official Plan Amendments, additions, renovations, conversions, subdivisions and severances. CCTA has processed an average of 360 applications each year over the last five years. CCTA and the Township have built an excellent relationship which is evident in multi-year contract renewals. CCTA operates the program from a satellite office in the Township of Tiny Municipal Building, located in Perkinsfield.
