

## Muskoka Road 2 Reconstruction

Client: District Municipality of Muskoka

Year: 2011

### SERVICES PROVIDED

CCTA was retained by The District Municipality of Muskoka to complete a traffic study, preliminary and final design, obtain approvals, administer the tender and provide contract administration for the reconstruction of Muskoka Road 2 (Brunel Road) from Main Street to Florence Street in the Town of Huntsville. Brunel Road is an urban collector/arterial that connects the downtown commercial district to the residential areas on the south side of the Muskoka River. The project included full reconstruction of the road surface and replacement of sidewalks, replacement and upgrades to sections of storm sewers, sanitary sewers and watermains, replacement of the signalization on Main Street at Brunel Road and improvements to the signalization on Main Street at Centre Street. The construction contract was substantially performed in 2011 at a value of \$2.14M.
