

## Ramara Administration Building

Client: **Township of Ramara**

Year: 2010 - 2011

### SERVICES PROVIDED

CCTA was retained by the Township of Ramara to provide engineering services for construction of the new Administration Building in Brechin, to replace the existing building that was undersized and not accessible. CCTA designed the site grading, water and sanitary sewer connections, and an innovative stormwater management system incorporating vegetated bioswales. The project was completed in the spring of 2011 at a cost of \$8M.
