

Ramara Fire Hall No. 2

Client: Township of Ramara

Year: 2010

SERVICES PROVIDED

C. C. Tatham & Associates teamed with Rod Young Architect to prepare the structural design for a 4,000 square foot addition to Fire Hall No. 2 in Ramara Township. The addition consists of cast in place concrete foundations and wood framed superstructure. It has been designed as a post disaster structure. Construction was completed in fall 2010 at a cost of \$1.1 million.
