

## Bridge Inspections

Client: Municipality of McDougall  
Year: 2011

### SERVICES PROVIDED

CCTA was retained by the Municipality of McDougall to conduct detailed visual inspections of five structures of varying types including prefabricated truss bridges, open bottom CSP arch culverts, and 3 span steel and 3 span precast concrete girder structures. These inspections were completed in accordance with the Ontario Structure Inspection Manual (OSIM) guidelines and the associated forms were included with a final summary report encompassing the findings and recommendations for maintenance and rehabilitation works.

Key Staff: Emma Wilkinson, Terry Smart
